Parc des Expositions Paris-Nord
Villepinte

ZAC Paris Nord 2 93420 Villepinte

Maison & Objet is one of the most important **Home Décor International fairs in Europe**. It also gets an important number of visitors from the rest of the world.

The fair is divided into two main areas: **Objets** and **Maison**. The first one will show the best objects and decorative accessories organised by product category, whereas the second one will focus on the best decoration and home interior solutions organised by style.

Under the umbrella of Interiors from Spain, ICEX is taking along seven companies to showcase their best products at the **Home Accessories and Forever Halls**.

Inspired by its 2020 theme (RE)GENERATION!, **Maison & Objet** will analyse the consumer habits of the new generation and their impact on the lifestyle sector.

Maison & Objet is the perfect opportunity to meet these seven Spanish brands. Moreover, 120 other companies from Spain are scattered throughout 9 halls.
